

WARRINGA PARK SCHOOL

WARRINGA PARK SCHOOL

VISITORS POLICY

PURPOSE

To provide a safe and secure learning and teaching environment for students and staff by establishing processes to monitor and manage visitors to Warringa Park School (inclusive of all campuses).

We seek to provide an open and friendly learning environment, which values and actively encourages visitors to our school and increases experience of the cultural and social features of the community. At the same time, we recognise our duty of care to ensure a safe environment for our students and staff.

SCOPE

This policy applies to any visitors who may attend school grounds when the school (inclusive of all campuses) is open for instruction between the hours of 8.45am – 3.15pm. Outside of these times, our front office is not staffed and the only visitors who are permitted on school grounds are parents/carers or their delegates who are attending, dropping off or picking up students from school events such as arts festival, end of year celebrations, meeting with teachers, parent teacher interviews or other school activities.

DEFINITIONS

Child-related work: As defined by the *Working with Children Act 2005 (Vic)*, child-related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional contact with children that is incidental to the work.

POLICY

Warringa Park School strives to create an open and inclusive school community and encourages parents and carers to be actively involved in their child's development and education. We also strive to foster strong partnerships with local community services, schools, and other organisations.

Warringa Park School is not a public place. The principal has the authority to permit or deny entry to school grounds, and encourages all visitors to familiarise themselves with our school's *Statement of Values and School Philosophy*, *Child Safety Policy*, *Child Safe Code of Conduct* and *Volunteers Policy*

From time to time, different members of the public may visit our school. Visitors may include, but are not limited to:

- Parents/guardians

- Other Department of Education and Training staff (including allied health staff) or contractors
- NDIS therapists or other allied health or health practitioners

Visitors within the school who have failed to follow the processes and procedures will be redirected to the office by a staff member, where the issue will be resolved.

Under the Summary Offences Act 1966 and subsequent amendments, the principal reserves the right, and has the authority to prohibit any potential visitor from entering or remaining within the school and has the authority to invite or exclude people from using or being within the school boundaries outside school operating hours.
