

Primary Update

Primary Update

Group 15

We are proud of all the counting we have done using loose parts!!

Polly Parade Update

We are all happy to close the semester with a big smile on our learners' faces and a joyful atmosphere around the campus. This term, students attended various school activities and engaged in learning opportunities that improved their numeracy, reading, writing, speaking and inquiry skills.

Students have also explored the app Proloquo2go for communication. Thank you to Nimi Goh, our Speech Pathologist for providing our staff the training on how to effectively use this communication app to upskill staff in using this app.

Our students are also learning more about self-regulation and how to positively deal with their feelings and emotions. Our classrooms have a display of their emotions on the wall and pictures of our students demonstrating various feelings and emotions. Lisa de Vaux, our Occupational Therapist, is working closely with our teachers and staff in modelling lessons on making our students ready to learn by recognising how our body feels.

We now look forward to the end of the Term Celebration. An animal themed party is planned and students are welcome to bring a gold coin donation. Students have chosen to pass on all donations to Werribee Zoo. We hope all of you have a lovely winter break and enjoy time with the family! We are grateful for all your support and look forward to seeing all our young learners next term.

Bethany Road Update

This week I would like to celebrate our Social Enterprise Programs running in PLC2. The students have used student voice and agency to select from the following programs:

- Canteen
- Volunteering
- Horticulture
- Entrepreneurship
- BRC News
- Travel Education

These programs have taken the focus of aligning to future pathway programs at CRC and give students the opportunity to experience the skills needed to be successful, so that they can make informed choices for their VPC program. It has been a pleasure to watch the students engage in these programs this semester!

Tim Hilton

Assistant Principal - BRC

Cayleys Road Update

Our students at Cayleys road have been applying their learning in their Vocational Programs this semester. Using their Number and Measurement knowledge to measure ingredients according to recipes and to create natural cleaning products in their Work-Related Skills programs. Students in Hospitality have worked on their Employability Skill of communication through providing restaurant service at the Victorian University restaurant in Footscray.

Kim Zammit

Assistant Principal - CRC

School holiday programs

ACTIVE HOLIDAYS

JOIN IN SOME FREE ACTIVE FUN THESE HOLIDAYS

VISIT WWW.WYNDHAM.VIC.GOV.AU/ACTIVEHOLIDAYS TO FIND OUT MORE AND BOOK

Looking for something for the kids to do these holidays?

Wyndham City Council's Active Holidays program offers FREE activity sessions for 4 to 18 year olds. From Dance to Table Tennis, Martial arts to Cricket and more there's lots for kids to join in these holidays. See the program at www.wyndham.vic.gov.au/activeholidays Bookings open 7 days before each session, look out for more activities to be added. Why not try something new these holidays?

Wyndham City Activities for People with Disabilities

In Wyndham we have clubs and organisations who specifically offer activities and programs for people with disabilities. We also have clubs that aim to be inclusive, including participants in mainstream activities where modifications are possible.

Scan the QR Code to view what activities Wyndham has up for offer.
