Term 2 | 31st May 2024 | Week 7

Warringa Crescent Update

What a wonderful two weeks it has been across the primary campus. A big congratulations on completing our swimming program, thank you to all families and staff who have made swimming such a wonderful experience.

Across the campus students have continued to explore our inquiry topic of 'healthy body, healthy mind' and explored how swimming can help us stay healthy.

We have been lucky to have some visitors Whitworth University who are joining in classrooms across the school.

Students have been working hard in developing their personal and social skills. Over the past two weeks students have been celebrating their personal strengths and identifying things that make them feel happy. Students have been sharing positive traits about themselves by creating "brag bracelets". These lessons have been wonderful opportunities for our students to celebrate themselves!

A reminder that Friday the 7th of June is a curriculum day (student free).

Lower, Middle & Upper Primary Leading Teachers

Upcoming dates...

Friday 7th June
Curriculum Day - Pupil free day

Monday 10th June
King's Birthday Public holiday

Friday 28th June
Last day of Term Two
2pm finish

Polly Parade Update

This term, our students have been delving into our Term 2 Inquiry question: "What makes my body and mind feel good?" To aid their exploration, they've been participating in an array of activities designed to foster self-regulation. These activities include yoga, painting, breathing exercises, positive thinking chants, music therapy, and our sensory motor program. To celebrate their discoveries, students will be creating their own "Mindfulness Tree," similar to the one displayed outside our Polly Parade reception. This tree symbolizes the steps students take when identifying how they are feeling in a given moment and the strategies they can take to regulate themselves.

Leading Teacher

Bethany Road Update

Over the last two weeks, our teachers have been involved in conducting various assessments and finally they are ready and prepared to write their students' report. Outcomes of teaching and learning processes have been very positive and encouraging for our students.

This term, our students are developing and consolidating their literacy and numeracy skills while having fun learning about Healthy Body and Healthy Mind.

In English, students are learning about authors' viewpoint and language experiences. They are also learning to discover main ideas of and inference from the non-fiction texts. Our students are reading different articles and try to find important information.

In Maths, students are working on Time skills which, once learnt, will be of immense use later in life. From next week we will concentrate on measuring objects in and outside the classrooms.

Students are also working on their Reading and Personal Goals and they will learn some strategies so that they can achieve these goals.

Please take extra care of yourself as winter is approaching soon.

Kim Zammit

Assistant Principal - BRC

Cayleys Road update

This week we acknowledged National Sorry Day and Reconciliation Week as we had some groups learn more about the ancient culture of Australia and the indigenous people of the land. Encouraging our whole community to learn more about all cultures is something we are very proud of here at CRC. To continue our exploration of Innovation, we welcomed Mindflight in this week as some of our flexible learners had the opportunity to engage with VR software.

It was an incredible afternoon on Wednesday as we welcomed back our 2023 Year 12 Graduates for a BBQ hosted by our 2024 Year 12s. We are always keen to hear about what the pathway has looked like for all of our students as they leave us, and this was a great catch up for all that were involved.

Year 7-10

Over the past few weeks, students have been learning about different Olympic sports. They have chosen their favourite sports and have been getting prepared for our Mini Olympics, which will take place at the end of term. Students have had the opportunity to run in a relay race and have a go at discus throwing. They also enjoyed participating in our apple bobbing language experience, when learning about the letter 'A.'

ASDAN

ASDAN students have been working hard on looking after the chickens. Some of their responsibilities for the chickens include topping up their seed and water, giving them fresh hay and collecting their eggs to be used for Cafe II.

VPC

Road to RIJI: Students have been completing Resumes and Cover Letter in preparation for the practice interviews with the Wyndham Council. Real Industry Job Interviews (RIJI) are an incredibly valuable opportunity for our students to get an authentic opportunity to experience the feel of an interview experience.

Students have also completed a major anti-vaping campaign in Personal Development which is sending an important message right across the campus!

Tim Hilton

Assistant Principal - CRC

Performing Arts update

Performing Arts classes have been experiencing a variety of fun group projects. Our primary campuses have been learning storytelling through dance and music using body movement, drumming, instruments, voice, and lots of creativity. Some Performing Arts students have been involved in creating a storytelling dance preparing for the 'Wakakirri 2024' video festival. Our secondary campuses have used a variety of instruments, voice, and music recording equipment to create music. We were excited to listen to their hard work during the launch of Warringa Connect TV program.

Bus Transport – Moving House – Important information

RE: Changes in our DTA this year (Designated Transport Zone)

If you are moving house and require Student transport to school, please contact

transport@warringapark.vic.edu.au to see if the new address is in our transport zone or follow this [link](#) to check your address.

- Are you moving house, have a new phone number or email address?
- Please advise the administration team of any changes
- Any bus changes for new addresses will take time to check seat availability

State School Relief

Warringa Park School are partnered with State School Relief to support families experiencing financial disadvantage with school uniform and essential resources. Applications are considered for school uniform shop vouchers and/ or direct supplies from the SSR store. Please see fact sheet

<https://stateschoolsrelief.org.au/wp-content/uploads/2022/12/SSR-Voucher-FAQs-sheet.pdf> for more information.

If you obtain a current concession card and/ or are requiring support with school uniform please contact us on 9749 5774 or email Shenol.Ross@education.vic.gov.au to apply.

We acknowledge the Bunurong and Wadawurrung Peoples as Traditional Owners of the lands on which Wyndham City operates.

We Care

TheirCare delivers high quality Outside School Hours Care (OSHC) and it's where kids love to be! TheirCare's 'WeCare' initiative fosters community connections and empowers children to make a positive impact and make a difference in their world.

Anzac Day

We celebrated Anzac day by creating a wreath and also making poppy flowers to be adorned by our staff and the children. WE spoke about the service and sacrifices made by our soldiers.

Mothers Day

Here at Their Care ASC the children involved themselves in creating mothers day cards and presents as a loving thankyou to all the selfless love and affection they get from mums and grandmas.
