# Student Council Representatives

## Student Representative Council (SRC)

We have our new SRC council in place and we are finalising when meetings will be held. We can't wait to meet with teams at each campus to begin our projects for the year. Any SRC member that did not get their badge at the end of last year, will get one during the first meeting this year. After trialling an SRC at Polly Parade, we are happy to say that we will be continuing with a team there this year. Once the students have been chosen for this, we will update the poster.

# Specialist update

Hi all,  
Welcome to 2025! The specialist program has started this week across all four campuses. It has been great to see everyone engaging so well in their first specialist lessons of the year. We have a number of new specialist teachers this year, some who have moved from classroom positions, others who have been regular casual staff, and some that are completely new to Warringa Park. I would like to take this opportunity to welcome these amazing teachers to the specialist team and to introduce them and all our PE, Visual Arts, STEAM, Performing Arts and Media teachers to you...  
Have a great 2025!
