

WARRINGA PARK SCHOOL NEWS

TERM 2 | 12TH JUNE | WEEK 8
CLASSROOM AND BEYOND NEWS

School Wide Positive Behaviour Supports (SWPBS) awards and SRC

As we come to the end of Term 2, there has been a lot to celebrate with our school leaders. The senior leaders have gone to the effort of writing to the school council about an issue that is important to them at Cayleys Road, this involved them sitting down and planning, drafting and editing a letter to formally send off. Lachlan, our of our School Captains, also took it upon himself to collect some supporting student signatures from his peers. We wait to find out if his campaign has been successful now.

At BRC the school leaders are gearing up for the Inspire Citizens conference which is being held next week. This an exciting opportunity for the students to collaborate with peers from other schools about what leadership means to them and how they can be model citizens. These SRC forums are important as they allow our students to see what other schools are doing and make the relevant connections to the learning, values and experiences of Warringa Park.

Finally, the Main campus student leaders are meeting with school staff to discuss an out of uniform day to be held in Term 3. We look forward to sharing more information about this when it comes to hand.

Tim Fegan

Leading Teacher

Congratulations to the following students who have received an SWPBS award this week.

Lower Primary - Feyget T
Middle Primary - Yusuf R
Upper Primary - Hussein J
PPC - Aariz A
BRC - Ilyas H & Amir O
CRC VPC - Ryder B
CRC ASDAN - Labeeqa S
CRC Flexible Learning - Hamayel A

UPCOMING DATES

Friday 26th June
Last day of Term Two

Monday 13th July
First day of Term Three

Friday 18th September
Last day of Term Three

PROTECT

PE update

This term, students in the BRC program have enjoyed participating in swimming lessons through Swim 4 All. The sessions have provided valuable opportunities for sensory exploration in a fun, supportive, and engaging environment. Students have developed essential water safety skills while building confidence in the water through activities focused on floating, kicking, and treading water. Throughout the program, students have demonstrated resilience, independence, and a willingness to challenge themselves as they practised and refined their swimming skills. It has been wonderful to see students having fun, celebrating their achievements, and growing in confidence with each lesson.

Dion, Ethan, Tom, Steve, Melvin, Bryce and Shani

The PE team

Allied Health update

SENSORY MOTOR PROGRAM

- A structured program that provides daily sensory motor input through purposeful activities.
- Promotes regulation by providing sensory input to support students to be in a state where they are regulated and ready to learn.
- Can be used multiple times throughout the day when students are finding it challenging to focus or concentrate
 - Start of the day
 - Transitions
 - Before going home on bus to reduce bus behaviours.

This program is implemented across our school in classrooms in a variety of ways. This program is designed and implemented by our Occupational therapists, Classroom staff and Allied Health Assistants
